## Enliven Taieri Court

### Introducing Enliven

Some things make for healthier, happier living, no matter what your age. A sense of community; friends, family, whānau; giving and receiving; making decisions for yourself; and, most of all, practical support when you need it. At Enliven we work alongside you and your family to achieve these things.

**Taieri Court is an Enliven community committed to meeting the individual needs of residents and their families.**

*A New Zealand Ministry of Health certified service.*

### Introducing Taieri Court

Taieri Court sits right in the heart of the Mosgiel township. Close to Mosgiel's central shopping district, it is an easy walk for residents to visit shops or cafes and catch up with friends and family.

For those wanting to stay closer to home, the sheltered courtyard is popular with residents and their visitors - who are always welcome.

Community groups and volunteers are a vital part of Taieri Court. Residents enjoy the conversation, activity and support they bring to this Enliven community.

The private rooms at Taieri Court are comfortably furnished. You are also welcome to bring your own furnishings and personal items. Taieri Court has a strong reputation in the community for providing quality service in a "home-like" environment. You will feel very welcome here.

**'I am often humbled by the life stories some of our residents share with me. Amazing careers, great tales of travel and adventure, and sometimes heartbreaking stories of loss. Everyone has a story and older people have some of the best!'**
